f-cell

The Impulse Conference

For Hydrogen and Fuel Cells

”
We full-heartedly stand behind hydrogen and fuel cell technology. It moves and connects us.
Let's make something out of it together!
“

IMPORTANT NOTE:

Stuttgart is nearly fully booked in September! Book soon!

Register now at f-cell.de and see who's also joining!

Partners

Business is made by people. Therefore, it needs communication. Come to the impulse summit.

What's new? Use f-cell as your main networking event where you will get enough time to meet by chance - use our new **f-cell app** to make just in time appointments. The two days in September will lead to new projects and specific actions.
